ORDER EXTENDING STATUTORY DEADLINE**Summary**

This decision extends the statutory deadline in this proceeding to April 30, 2016.

1. Background

Pub. Util. Code § 1701.5(a) provides that ratesetting cases must be resolved within 18 months of the date the scoping memo is issued unless the Commission makes findings why that statutory deadline cannot be met and issues an order extending the 18-month deadline for a period not exceeding 60 days. In this proceeding, the November 24, 2015 amended scoping memo extended the statutory deadline for this proceeding to March 1, 2016.

On February 28, 2013, Pacific Gas and Electric Company (PG&E) filed Application (A.) 13-02-023 *for Compliance Review of Utility Owned Generation Operations, Electric Energy Resource Recovery Account Entries, Contract*

Administration, Economic Dispatch of Electric Resources, Utility Retained Generation Fuel Procurement, and Other Activities for the Period January 1 through December 31, 2012 (Application). On April 8, 2013, the application was protested by then Division of Ratepayer Advocates, now Office of Ratepayer Advocates (ORA). PG&E timely replied to ORA's protest. A prehearing conference was held on August 15, 2013. Evidentiary hearings were held on October 7 and 8, 2013, and on January 21, 2014. Briefs were filed on February 26, 2014 and March 19, 2014. On November 2, 2015, PG&E and ORA filed a joint motion to remove a contested issue from the proceeding. On November 24, 2015 the scoping memo was modified to remove this issue and the statutory deadline was extended to March 1, 2016 in order to incorporate the changes necessary due to the amended scope of this proceeding. The proposed decision is expected by mid-February, 2016. In order to provide the parties time to comment on the proposed decision and the Commission time to consider and issue a final decision, an extension of time is necessary. Therefore, a 60-day extension of the statutory deadline until April 30, 2016, is necessary.

2. Waiver of Comment Period

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of proposed decisions extending the deadline for resolving ratesetting proceedings. Accordingly, the otherwise applicable period for public review and comment is being waived.
